Walk for Soul

It's a proud moment for all of us as Indore has been chosen the cleanest city in India. We are highly inspired by Swacch Bharat Abhiyan and to add on to make this city clean not only in terms of external environment but purity of soul too, through our music, SangeetGurukulintiated a walk with purpose of supporting and experiencing more of clean music. To support this ideology youngsters, doctors, photographers, government officials everyone participated with full enthusiasm. The slogan for walk for soul is "**SWACCH SANGEET SE SWACCH MAN ... EK AUR KADAM SWACCH BHARAT KI AUR.**" we completed two seasons of this peaceful walk successfully with overwhelming participation of people of our city.

Dawn to Dusk

Dawn to Dusk is an ingenious innovative idea of Sh. Gautam Kale in the form of a concert, in which 100 musician at the same time on stage present the cycle of 24 hours, that is 8 Prahara of Indian Classical ragas, which are classified according to the particular prahara to its best efficacy, within 2:15 hour in a splendor performance. Indian Classical Ragas are classified according to particular hours of day and night, which is believed that they appear in its best melodic form. Few ragas are also meant for particular season, which is also included in the performance.

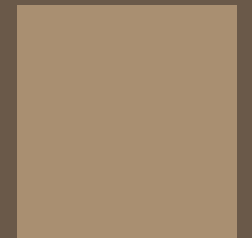

Goonj

Indian Music Instrument Exhibition in which maximum of our old and important Instruments were exhibited and demonstrated. We managed to collect almost 32 Instruments, which included the very old ones like 4 types of 'Veena' (Saraswati Veena, Vichitra Veena, Triveni Veena and Ranjan Veena), Ravan Hata, Foot Pumped Harmonium etc. Also exhibited some of the familiar instruments, even played today, like Dholak, Tabla, Flute, Harmonium etc.

Aamirkha Jahagir kha Samman

Ut. Jahangir Khan (tabla) and Ut. Amir Khan (Indian classical vocalist) were the stalwart maestros in the history of Indian classical music. As a matter of fact that they both are rooted from Indore, but many of young musicians didn't know about their contribution in music, and even no award was declared in their honor. Sangeetgurukul initiated to declare a first ever award in the honor of both the legendary artists in the year 2019. First Ut. Jahangir Khan award was presented to Pt. Kiran Deshpande, Bhopal and Ut. Amir Khan award to Pt. Ajay Pohankar, Mumbai.
